

COUNT 1
DO-4

30 May 1973

MEMORANDUM FOR: Mr. William E. Colby

SUBJECT : MCHAOS and J

I call to your attention the attached sensitive annexes to our 1972 report of survey of E Division. You have seen them before, but a fresh look at them might be in order in the light of current developments. J + C

The recent revelations about the activities of the Intelligence Evaluation Committee are getting close to our MCHAOS program. We are particularly concerned about MCHAOS because of the high degree of resentment we found among many Agency employees at their being expected to participate in it.
